Summary:

Expression of Interest is sought from interested Clubs regarding the sale of 4WD Lifeguard vehicles being replaced as part of the SLSWA asset management strategy.

Action:

- Interested parties to register interest with SLSWA no later than 12 noon on Friday 13th June 2008

As part of the SLSWA asset management strategy three (3) 4WD vehicles used as part of Lifeguard operations are being replaced. SLSWA would like to offer any Club the opportunity to express an interest in purchasing one of these vehicles. Expressions of interest are sought by no later than 12 noon on Friday 13th June, 2008 and will be considered on a first in first service basis.

The vehicles are offered to surf clubs at the non-negotiable wholesale trade in price of \$9000.00 (+GST) per vehicle.

The vehicles are currently set up for beach patrol operations with signage, beacons and reversing beeper currently fitted. The vehicles have completed low kilometers and have been housed in surf club sheds when not in use on the beach. The vehicles will require attention to surface rust and some bolts, shackles and the like require replacement due to surface rust; however, this presents an excellent opportunity for a Club to pick up a vehicle at low cost if persons within or sponsors of the Club have access and time to attend to superficial issues. The alternative for SLSWA is to sell the vehicles as is to wholesalers.

Attached is a specification table for each vehicle. Two vehicles are available for viewing at SLSWA head office in North Beach between 8.30am and 5.00pm (Monday-Friday) and the third is available for viewing at City Beach between 8.00am and 2.00pm daily.

Please contact the SLSWA Operations Manager with any queries pertaining to this expression of interest.
