Email: wmahoney@mybeach.com.au

Summary:

SLSWA gains excellent support from a number of national and state based corporate partners, clubs are requested to note these relationships and where possible assist in their development.

Action:

For noting

SLSWA relies on the generous and ongoing support from a range of key corporate partners and it is vitally important that we continue to foster relationships with these organisations. Our clubs play a major role in these partnership and benefit either directly or in indirectly from all of these associations.

We respect the clubs position in relation to your own sponsors however we ask that all clubs continue to be aware of these important associations and to appreciate the significant impact these organisations have on our movement at every level. We expect that clubs will do their best to support our generous partners and to ensure that no conflict arises in relation to engaging with a competitor of these organisations.

We are currently holding very positive discussions with a number of potential new partners for the coming season and as more is known regarding this matter clubs will be advised accordingly.

Please see attached for a list of our current partners, if you have any queries in relation to anything contained in this circular please contact Warren Mahoney our Manager of Business Services.
