Surf Life Saving Australia is seeking equipment support of local Western Australia surf clubs throughout the conduct of the Australian Surf Life Saving Championships 2009.

In order to maintain safety of all visitors and participants to the championships and the surrounding precinct SLSA require numerous pieces of emergency care equipment so that championship first aid personnel can be adequately resourced to maintain appropriate standard of care to injured or ill persons.

So that each first aid station and personnel have sufficient resources WA Clubs are being asked to assess their capability to supply one or more items as listed below throughout the course of the championships. The equipment will need to be received at the championship site by Monday 16th March and will be returned to Clubs by no later than Friday 27th March 2009.

Any costs resulting from transport of offered equipment will be met by SLSA.

Clubs that provide equipment will be offered fixed weekly hire rate for each piece of equipment borrowed. The rates offered are detailed in the table below.

If you are able to assist in this vital area please complete the attached form and return to Chris Peck, SLSWA Operations Manager for confirmation. It should be noted that equipment must not be offered at the detriment of Club beach patrols if they are still in operation.

Equipment required:

Equipment	Type	Number Units Required	Fixed Hire Rate (per piece equip)
Oxygen equipment	Oxy Viva/Oxy Boot/Oxy Sok (without O2 bottles)	12	90.00
Spinal Boards	Laerdal (with straps and speed blocks)	12	60.00
Stretchers	Various	12	30.00
Defibrillators	Heart Start HS1	6	150.00

We look forward to your continued support throughout the remainder of the summer.
