The Competition Skill Evaluation is a risk management assessment for those who wish to participate in any water event at any interclub state carnivals or event. Participants must complete a timed open water swim that reflects the respective age-related competition course. Ocean conditions should be considered when setting out the course and an appropriate standard of care maintained. The correct ratio of Water Safety Personnel (1:5 and 1:10 if a suitable pre-activity risk assessment has been conducted) must be in place. Evaluation sessions should be held regularly and then entered on SurfGuard on completion. Please note, to successfully enter a Competition Evaluation on SurfGuard for a Nipper that same Nipper must have had a Preliminary Evaluation entered and completed through SurfGuard. There are also closing dates and times for when evaluations need to be entered prior to a Nipper Carnival. Please refer to the **2018/19 SLSWA Planning Calendar** for these dates and times.

2018/19 Nipper Participation Certificate

During the 2018/19 season clubs will be provided with blank certificates for each age group. For each enrolled Nipper, Age Managers will be asked to “tick off” the outcomes that Nipper has achieved and issue the certificate at the end of the season. This will allow all parents with Nippers in our program to see where their child is at in terms of the outcomes of our program. All Nipper Surf Education Awards are due on SurfGuard by Friday 12 April 2018.
