SLSWA is committed to providing quality experiences for our Nippers through our Nipper Clinics and Surf Sports Carnivals. In the 2018/19 season we will be running a total of three Nipper Clinics. All three clinics are free to registered SLSWA Nippers. At the conclusion of each clinic there will be presentations.

### **WA Surf League Nipper Clinics**

The clinics will run in conjunction with a round of the WA Surf League. The Surf League will showcase the top Western Australian Surf Sports Athletes in a team orientated event. These three clinics will not only develop age appropriate water and beach skills for those Nippers participating but will also provide them with the unique opportunity to mingle with our states top athletes.

Limited spaces are available at these clinics and registration will be through the [Western Australian Online Entries System](#). Clubs are asked to select **Entries - by event** and only complete Team A. Only 12 members will be able to be selected in the team but reserves can be entered underneath. After the closing date, clubs will be advised of the Nippers that are able to attend, including reserves, based on the positions available. **Only those Nippers on the published list will be able to attend** and we will endeavor to have this list out the weekend before the clinic so clubs can advise their Nippers the Sunday prior. **This season Clubs hosting the Surf League will also be required to undertake the above process.**

Please note in the Table below when the closing dates are for each clinic.
