Attachment:	Woodside Nippers Club Details 201920.xlsx

As part of the Woodside Sponsorship announced at the recent Members Forum each enrolled Woodside Nipper will be provided with the following for the upcoming surf season;

- Age group cap
- Wide brimmed sunhat
- Hi-vis vest
- Sling sack

To assist SLSWA gathering information about your club, and to place orders for the items above, clubs are asked to complete the [2019/20 Woodside Nipper Information and Order Form \(click here\)](#) and submit to nippers@slnwa.com.au by **5pm Monday 24 June 2019**. The link has three distinct tab sections.

Tab 1 – Club Details

The first part of the form is simply gathering key information for our marketing purposes such as registration dates, Woodside Nipper Club Contact and program start date.

Tab 2 – Woodside Nipper Apparel (age group cap and wide brimmed sunhat)

This will provide us with information to make mass orders on the caps and hats. When completing this section clubs are to input numbers based on last season's age groups and we will provide a percentage of additional items to allow for any increase in registrations. If your club is starting an age group for the first time next season, (eg you have never had Under 6's before and will be next season) please estimate the numbers you would have had in the age group had you run it last season. The Woodside sponsorship is worth 5 million dollars over five years. The benefits of this sponsorship to SLSWA and to individual clubs is enormous. As such, clubs are asked to work with us on uniform cap colours throughout the state.

Tab 3 – Woodside Nipper Hi-vis Vests

This will provide us with information to make mass orders on the hi-vis vest and sling sack. When completing this section clubs are to input numbers based on last season's age groups and we will provide a percentage of additional items to allow for any increase in registrations. If your club is starting an age group for the first time next season, please estimate the numbers you would have had in the age group had you run it last season. Data from Section 3 will be used to calculate the number of sling sacks required by a club.
