SLSWA are aware that several clubs run Woodside Nippers Come & Try Days. Clubs running such days should be aware that non-member participants in such events are not covered by the SLS personal accident insurance. Further, to protect the club against litigation, there are several steps a club must undertake prior to holding a Come & Try Day. The three critical steps are outlined below.

1. Planning Activities

As part of the SLSA Nippers Come & Try Day template there is a Come & Try Day Schedule. The activities suggested on this schedule are modified activities that are regularly undertaken on Woodside Nippers activity days. We highly recommend that clubs plan to conduct these modified activities rather than going outside of what would be considered normal Nipper activities.

2. Completion of Registration & Waiver Form

Every participant in the Come & Try Day must provide the club with a completed Registration & Waiver Form signed by their parent or guardian.

3. Notifying SLSA insurers

Clubs need to notify SLS insurers of their Come & Try Day. This notification should include the following information:

1. Date of the Event
2. Number of Participants
3. Activities to be undertaken

You can contact the insurers via email at surflifesaving@marsh.com or phone 1300 130 373. Please ensure you receive a response, so you know your event has been sanctioned by them.

The SLSA Nippers Come & Try Template (the attachment) has been provided in word format so clubs can edit the Event Template/Checklist and times on the Come & Try Day Schedule. Do not edit the Registration & Waiver Form.

Should you have any questions regarding Woodside Nippers Come & Try Days please contact David Somers, Member Development Coordinator via dsomers@sloswa.com.au or phone 9207 6666 during office hours.
