Surf Life Saving Western Australia acknowledges all traditional custodians throughout Western Australia and their continuing connection to the land, waters and community. We pay our respects to all members of the Aboriginal communities and their cultures; and to Elders both past and present.

## A MESSAGE FROM THE PREMIER

"... the service and safety provided by SLSWA has remained an essential part of our community."

The Western Australian community has shown strength, unity and resolve over the past year as we charter through the unique complexities of COVID-19.

This year has been difficult and has brought with it challenges that could not have been foreseen, but amongst all the challenges, the service and safety provided by Surf Life Saving Western Australia (SLSWA) has remained an essential part of our community.

SLSWA has performed a critical role in preserving the lives of Western Australians on our beaches for more than a century. The iconic red and yellow flags and uniforms have been beacons of safety for generations.

We have long known that in any type of crisis our surf lifesavers are there to protect the community, but it has never been more apparent than in the past year. This is a true tribute to the incredible bravery and hard work of everyone at SLSWA and to the unrivalled respect that you have earnt from the community.

Surf Life Saving is the largest volunteer service organisation of its type in Australia and the significant number of hours spent on the beach by WA volunteer sur flifesavers each year is a truly valued contribution made to our State.

There are 31 surf life saving clubs from Esperance to Broome whose members ensure all Western Australians can enjoy our wonderful beaches. This is reflected in the thousands of volunteer patrol hours, hundreds of rescues and many preventative actions and first aid services.

May I take this opportunity to thank each and every one of you for your dedication and service.

1/12

Mark McGowan MLA

Premier of Western Australia

### A MESSAGE FROM THE **PRESIDENT & CEO**

Craig Smith-Gander AM - President

James O'Toole - CEO

It is our pleasure to present the Surf Life Saving WA Annual Report for 2020/21.

Despite intermittent but ongoing interruptions from COVID-19, we have had a positive year across all four pillars of our organisation. This pandemic has highlighted the central role that recreating on our wonderful coast plays in the lifestyles of West Australians and the dedication of our members who continue to serve the community through this challenging period.

In season 2020/21, our membership reached more than 23,700, a 6% increase from the previous season. This included a 10% growth in Nippers and 7% in youth members, reflecting our continued investment over recent years to this important demographic, the future of our movement.

We introduced several new Youth Pathway programs, which saw strong attendance, doubling the number of participants. A few months ago, we celebrated the many outstanding achievements of these members at our Nipper & Youth Awards presented by the Scottish Masonic Charitable Foundation of WA.

The year saw an increased demand for our lifesaving services, including our Emergency Response Teams, as they continued to respond to requests for assistance and deliver essential services. We expanded both our Abalone and Drone Patrols while our Westpac Life Saver Rescue Helicopter Service cleared more than 6,000 beachgoers from the water in response to shark sightings.

Our services and members delivered more than 134,700 onbeach patrol hours, performing more than 570 rescues. These efforts ensured that no lives were lost between the red and yellow flags on WA beaches last season.

In training and education, despite the challenges in service delivery to comply with COVID-19 protocols, our trainers and assessors completed more than 3,000 awards, including 812 Bronze Medallions and 645 Surf Rescue Certificates, both an increase on the previous year.

We were fortunate to host a nearly complete season of surf sports events, kicking off in October with our new three-round WA Ironman Series, allowing our top open and youth athletes to experience dedicated Ironman racing ahead of the season. Then, in January, we hosted the SunSmart Country Carnival in Bunbury, our largest ever event, attracting more than 1,400 athletes from 27 clubs. We look forward to returning to Bunbury again in 2022.

As we ended our season with the SunSmart WA Surf Life Saving Championships, it was fantastic to see the talent spread across our clubs, with Trigg Island taking out Champion Senior

Club, North Cottesloe the Champion Masters and Youth club, and Sorrento, Champion Nipper Club.

While COVID-19 travel restrictions meant many of our athletes and teams were unable to travel to national events during the season, it was great to see a number of WA athletes head east in April to contest The Aussies, the highlight of which was undoubtedly Sophie Watts from City of Perth being crowned Australian women's beach sprint champion.

We look forward to having 'The Aussies' return to WA beaches next April, bringing with it more than 5,000 Surf Life Saving athletes from across Australia.

We recognise the tremendous support of our many partners. Their ongoing commitment to and investment in the work of our organisation and our members makes these achievements possible. We also thank the WA Government for their significant support of our movement and our delivery of essential lifesaving services across the State.

We extend our thanks to the Surf Life Saving WA Board of Directors and staff. They have successfully navigated through the uncertainty of recent times to enable our organisation to continue to deliver against our strategic plan and across all four pillars, with outstanding results.

Lastly, we recognise the enormous contributions made by our members across all facets of the movement. Every year, our members contribute hundreds of thousands of hours to delivering safer beaches for the public, and our WA community is all the better for their service.

We look forward to seeing everyone back on the beach next season.

Craig Smith-Gander AM

President

James O'Toole Chief Executive Officer

#### LEGENDS OF THE SURF

The Legend of the Surf status is the single highest honour bestowed upon individual competitors and teams affiliated with SLSWA. This award signifies the exceptional and outstanding achievements of an individual or team within their chosen surf sport discipline.

#### Donald Morrison OAM Cottesloe SLSC - Inducted in 2012

In Don Morrison's era, the belt race event today.

A true champion of the surf, Don Morrison dominated the belt race in WA for more than a decade and won four national Surf Belt gold a number of silver and bronze. He also toured with the Australian team, represented Western Australia on 16 occasions and was a member of WA's successful R&R teams in 1958 and 1963.

#### Kenneth Vidler Scarboro SLSC - Inducted in 2012

career, which spanned 23 years at junior and senior level.

Ken was a natural athlete who represented both his state and country, with notable success in Ironman, Single Ski and Double Ski events, as well as kayaking, where he went on to represent Australia in a four-man kayak team in the 1980 Moscow Olympics.

#### North Cottesloe J Crew North Cottesloe SLSC - Inducted in 2015

competition, only four clubs have managed to win the national Open Surf Boat title on multiple occasions, with the North Cottesloe J Crew (2006-09) the only team to win four of these titles back-to-back.

North Cottesloe J Crew members: Jack Allis (Sweep), Peter Charles, Shaun Colton, Kim Greville, Jonathon Fievez, Derek Knox and David Porzig.

# SPORTING HALL OF FAME

#### Western Australia has a strong history and track record of producing outstanding surf sports athletes.

Our state is home to many present day and former sporting champions who have honed their skills at our local surf clubs and gone on to dominate surf sports at a state, national and international level.

The Surf Life Saving WA Sporting Hall of Fame recognises these outstanding athletes and their exceptional efforts, and welcomes deserving new inductees each year at the Surf Life Saving WA Awards of Excellence.

#### SLSWA SPORTING HALL OF FAME **2021 INDUCTEE**

Brendon Sarson - Cottesloe & Trigg Island Surf Life Saving Clubs

An elite Ironman, Surf Ski and Surf Race competitor, Brendon's consistent and outstanding performances during his sporting career saw him inducted into the Surf Life Saving WA Sporting Hall of Fame earlier this year.

Winning his first individual West Australian Open title in 2003, over his career, Brendon took out eight WA Open Ironman titles, five Open Ski, one Open Surf Race and two Restricted Surf Race titles, in addition to numerous team gold.

His success extended to the Australian Championships, where he won gold in the U19 Surf Race, Open Double Ski and Open Ski Relay, and two silver in the Open Single Ski Race and Open Ski Relay.

Brendon also made many finals at The Aussies. In 2007, he qualified for the Open Ironman, Open Single Ski and Open Surf Race finals – a challenging and impressive feat.

He competed in the Kellogg's Nutri-Grain Ironman Series over four consecutive years and, for two years before that, as a swimmer in the Kelloqq's Nutri-Grain National Surf League.

Brendon also represented WA as a Western Suns state team member on five occasions, including one as captain.

Brendon's consistent and outstanding performances as an elite athlete make him a worthy inductee to the Surf Life Saving WA Sporting Hall of Fame.

Saving lives is at the core of what we do. Our Lifesaving Services include a range of volunteer and paid services delivered to the community based on service need and profile. These essential and critical services are provided to mitigate the exposure of the beach going public to coastal hazards and risks and enable us to make a considerable contribution to communities in WA. We do this by enabling safer participation in coastal aquatic recreational activities, through a focus on enhancing injury prevention and the saving of lives.

SLSWA, through our clubs, coordinates volunteer surf life saving patrols at many of Western Australia's most popular accessible beaches during the season.

Our selfless and highly skilled volunteers often put themselves in hazardous situations to perform rescues when beachgoers get into trouble. They also play an active role in preventing potentially life-threatening scenarios and are regularly called upon to administer first aid both on and off the beach.

In 2020/21, the impact of COVID-19 saw an increased reliance on our lifesaving services, as our coastline and beaches played an increasingly prominent role in the lives of West Australians as a location to exercise and recreate. It also influenced the need to implement changes to our operational procedures to ensure we could continue to provide essential lifesaving services.

Despite these challenges, our 5,620 volunteer surf lifesavers across WA performed 102,129 patrol hours and the commitment of our volunteers and support program staff during this time is to be commended.

SLSWA is the largest provider of professional beach lifeguard services in Western Australia, managed under contract for local and state government agencies. Lifeguard services provide a pathway of development for our membership, as well as employment opportunities.

The following beaches were serviced by SLSWA Lifeguards throughout the 2020/21 season:

- Cable Beach
- Yanchep Lagoon and Quinns Beach (plus a roving service)
- Mullaloo, Hillarys and Sorrento Beaches

- Floreat and City Beaches (plus a roving service)
- Cottesloe Beach
- The Basin, Rottnest Island
- Penguin Island Sandbar (based at Mersey Point)
- Secret Harbour Beach
- San Remo, Town Beach, Falcon Bay and Pyramids
- Meelup, Bunker Bay, Yallingup Beach and Smiths Beach
- Margaret Rivermouth Beach
- Middleton Beach

Supported by the Government of Western Australia and proudly partnered by Westpac, SLSWA's Westpac Life Saver Rescue Helicopters play a crucial role in coastal safety, identifying hazards and responding to emergencies. The highly trained crews conduct coastal surveillance patrols on the lookout for marine life including sharks, people in distress, incidents on beaches, potential threats including rip currents, and search and rescue missions as tasked.

SLSWA operates two services with coverage along the metropolitan and south-west coast. Based out of Rous Head,

Fremantle, the metro service patrols from Yanchep in the north to Port Bouvard in the south and Rottnest Island in the west, while the South West service is based out of Busselton Margaret River Airport and provides coverage over popular coastal destinations between Bunbury and Hamelin Bay.

In 2020/21, statistics showed a more than 300% increase in the number of beachgoers cleared from the water due to the presence of sharks, demonstrating the critical role that the helicopters continue to play in keeping West Australian beachgoers safe.

#### 5-METRE WHITE SHARK SIGHTED OFF NORTH COTTESLOE BEACH

On Friday, 11 December 2020, SLSWA's Fremantle based Westpac Life Saver Rescue Helicopter (WLRH) was completing its scheduled morning patrol when it spotted a 5-metre white shark approximately 300 metres off North Cottesloe Beach.

The WLRH aircrew estimated around 22 people were in the water and a further 500 on the beach in the adjacent area. They immediately sounded the onboard siren to notify people of the hazard.

While North Cottesloe Beach did not have an active beach patrol at the time, SLSWA Lifeguards were on duty at Cottesloe Beach. Liaising with SurfCom and the nearby Lifeguard service, beaches were closed, and the necessary government agencies were notified.

The WLRH conducted additional patrols in the area throughout the remainder of the day, in addition to the scheduled afternoon patrol. By late afternoon the shark had been caught, tagged, and released by the Department of Primary Industries and Regional Development (DPIRD) based on the intel provided by the WLRH

Without the presence and immediate intervention by the WLRH, a possible shark interaction with a water user may have taken place. This event also demonstrates the robust interoperability between SLSWA and DPIRD to ensure actions taken in response to the sighting were maximised, including beach closures and tagging the shark.

#### **DRONE PATROL**

**PATROLS** PATROL HOURS

SURF LIFE SAVING **CLUB LOCATIONS** 

As a localised surveillance initiative, SLSWA's Drone Patrol continues to add value to our lifesaving services. The service provides important support to club based beach patrol activities and our Westpac Life Saver Rescue Helicopters while providing additional member pathways and opportunities for participation.

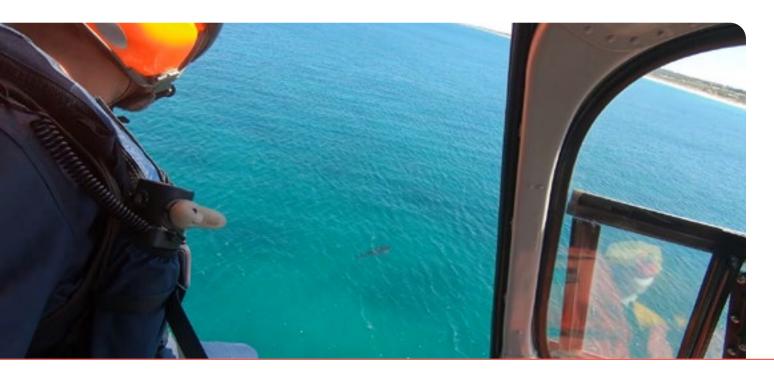

SLSWA has continued to focus on leveraging growth opportunities while achieving and sustaining operational compliance that is important to the service's reputation.

In 2020/21, our drone patrol activity demonstrated the ability to achieve these outcomes in a dynamic operational environment, including:

- 474 patrols conducted
- 162 hours of localised aerial patrols delivered
- 28 new operators completed training and were endorsed to operate a drone, taking the total number of endorsed operators to 67

- 13 active endorsed clubs, including integration of the newly endorsed North Cottesloe and Esperance Goldfields clubs
- During the abalone season, two patrol locations were provided with support from Drone Patrol

#### **SUPPORT OPERATIONS**

#### **WESFARMERS JET SKI PROGRAM**

**JET SKIS** 

**LOCATIONS** 

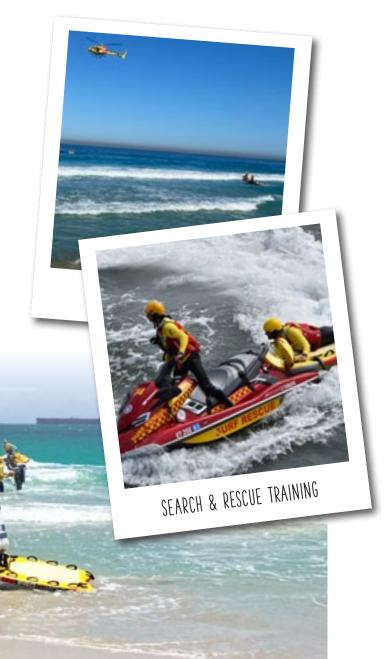

**SEARCH & RESCUE MISSIONS** 

The Wesfarmers Jet Ski Program remains an integral element of SLSWA's lifesaving services. They provide an additional resource for clubs to deliver effective lifesaving patrols, provide support to external agencies such as the WA Water Police through emergency response actions and search and rescue missions, and facilitate additional training and pathway opportunities for members.

During the 2020/21 season, over 1,500 hrs of on-water time was delivered by clubs and their members as part of the Wesfarmers Jet Ski Teams, the Support Operations Group and the Emergency Response Teams.

This included mobilising our Wesfarmers Support Operations Groups from nine of our clubs to provide high levels of on-water support during the five abalone fishing patrols. In addition, the Wesfarmers Emergency Response Teams were tasked to support 16 search and rescue missions spanning Geraldton to Esperance; this represents a 23% increase in taskings on the previous season.

#### **WESFARMERS EMERGENCY RESPONSE TEAM RESPOND** TO MISSING PERSON SEARCH AT SCARBOROUGH BEACH

Shortly after 8pm on Monday 23 November 2020, SurfCom that an individual had gone missing off Scarborough Beach

members from Scarboro SLSC providing on beach patrols using 4WD and Side-by-Side Vehicles (SSV), supporting other on-beach, on-water and aerial resources provided by WA

The following morning, WERT members from various clubs

coordinated effort by WA Police involving other vessels and

The jet skis were vital in the search activity as their professionalism and high performing skill sets demonstrated during the search.

#### SURFCOM ASSISTANCE REQUESTS

FROM PARAMEDICS, POLICE & OTHER SURF LIFE SAVING RESOURCES

As the State Operations Centre, SurfCom plays a crucial role in frontline communication and coordination support to all SLSWA lifesaving services. It is central to enabling interoperability with emergency service and response groups like the WA Police, St John Ambulance, Department of Primary Industries and Regional Development's Shark Response Unit and various local government ranger services.

Supporting activities include 13SURF tasking, operational asset tracking and distress monitoring, incident logging and recording, monitoring of the Emergency Rescue Communications Network, call taking and dispatching, and media coordination. SurfCom is also pivotal in communicating real-time beach safety messaging to the public via Twitter and BeachSAFE.org.au.

### 13SURF AND ST JOHN AMBULANCE FIRST RESPONDER PROGRAM

13SURF is an emergency services hotline number handled by SurfCom. It provides a direct communication link for external emergency management agencies to Surf Life Saving's first response resources or to request the tasking of relevant lifesaving services to assist during coastal emergencies. External agencies that regularly use the 13SURF program include St John Ambulance and the WA Water Police.

Over the 2020/21 season, 133 calls were received via 13SURF seeking assistance from Surf Life Saving resources to respond to active incidents.

### CAPITAL EQUIPMENT SUPPORT PROGRAM

Completing its third year, the Capital Equipment Support Program, supported by the WA Government and delivered through the Department of Fire and Emergency Services, demonstrates the recognition of the value provided by SLSWA's services to the safety of the beachgoing community through facilitating the provision of essential lifesaving equipment to SLSWA's clubs.

In 2020/21, clubs received Side-by-Side vehicles (SSV), Inflatable Rescue Boat (IRB) hulls, outboard engines, and jet skis. Two years remain in the current program.

Recreational abalone fishing in WA's West Coast Zone is the world's shortest licenced fishing period, open for up to six hours each season. It is also one of the most dangerous. With around 16,000 recreational licences issued each year, the hugely popular activity sees fishers descend upon the inshore reef around the metropolitan area during the onehour fishing periods, relying on SLSWA and our clubs to provide critical incident prevention and rescue services.

With assistance from the WA Government's Recreational Fishing Initiative Fund, SLSWA again delivered Abalone Patrol in what was a particularly challenging season due to an increase in the number of planned fishing days from four to five and continued interruptions from COVID-19.

A continued focus on supporting participating clubs and volunteers ensured every fishing session was appropriately resourced to enable implementation of initiatives across the key areas of prevention, rescue, education, research and regulation.

On the back of a successful pilot the previous season, SLSWA continued to deliver advanced lifesaving training courses focusing on rock and reef rescue techniques, including water entries from rock/reef outcrops, jet ski crew procedures and rescue techniques.

This training was supplemented with the purchase and distribution of personal protective equipment for the volunteers, including gloves and booties for use when patrolling on reef platforms and rocks, rescue throw bags and cut away knives to mitigate the need to enter hazardous waters to enact a rescue, and high visibility rash vests to increase the visibility of power craft teams.

Based on resource levels provided across the five sessions and the service expansion between Mettams Pool and Bennion Beach, and Halls Head, the 2020/21 season was the largest thus far. Five clubs hosted patrols across ten locations, while a further 11 clubs provided support through personnel and equipment, which included members travelling from the Mid West and Great Southern regions.

Despite favourable weather conditions, improved fisher behaviour, and high levels of lifesaving resources, two people believed to have been abalone fishing, died with causes not yet known.

## SURF SPORTS

Surf sports play a key role in the Surf Life Saving movement and aid in developing the necessary skills to carry out surf lifesaving's core purpose – saving lives.

Annually, thousands of members utilise and challenge their lifesaving skills in a competitive sporting environment by participating in various surf sports events throughout the year.

\*Includes: 3 x SunSmart WA Surf League, 3 x WA Ironman Series, 4 x Senior Carnivals, 4 x Surf Boat Carnivals

#### **KEY EVENTS & ACTIVITIES**

#### **WAIRONMAN SERIES**

The new, three-race WA Ironman Series was introduced in 2020/21 as a season pre-cursor and, in the wake of the cancellation of the WA Championships and The Aussies due to COVID, provided an event for athletes to strive for. Kicking off in October, the series tested athlete's surf skills and versatility as they took on the Enduro, Triple Sprint and M-course events. The series proved a great success with 148 competitors from 14 clubs across the three rounds.

#### SUNSMART WA SURF LEAGUE

In its fourth year, the SunSmart WA Surf
League returned in a new format designed
to increase participation and provide an
opportunity for more clubs to be involved.
The new format also aligned with the National
Super Surf Teams League and included
reduced team size, removal of the surf boats
competition, and the addition of a standalone

youth (U14 – U17) category. Again, the series proved a great success, showcasing our best surf sports athletes racing in a team format, with rounds held at Trigg Island and Scarborough, and again live-streamed via SLSWA's Facebook page.

Trigg Island Green dominated the open competition taking out all three rounds to claim the overall Open title, with City Rhode-Scholars in second and Mullaloo Blue in third.

City of Perth took a clean sweep in the youth arena, with Trigg Island Green in second and North Cottesloe A rounding out the podium. A special mention to the City of Bunbury youth team, who had an outstanding series finishing fifth overall. The top five teams in both the open and youth competitions shared in \$20,500 prize money.

#### **SURF SOUAD**

Coordinated by SLSWA's High Performance Officer Andrew Mosel, the training sessions were coached by experienced Western Suns team members and champion athletes Soraya Lee, Matt Colliss, Phoebe Ashworth, Max Hunter, Josh Maurice and Joe Ford.

The program was initially launched in the October school holidays, attracting more than 100 participants from clubs around WA. After the success of the holiday program, the program was expanded into Term Four with weekly sessions at Mullaloo, Fremantle and Port Bouvard.

#### **WESTERN SUNS TEAMS**

In WA, we were fortunate to host a nearly complete surf sports season which saw many outstanding performances from our athletes; however, COVID-19 restrictions meant the cancellation of many national events, which resulted in no Western Suns teams touring. Team selections were still carried out to recognise these athletes' performances, based on results throughout the 2020/21 WA surf sports season, focusing on the 2021 SunSmart WA Surf Life Saving Championships.

## SUNSMART WA SURF LIFE SAVING CHAMPIONSHIPS

The SunSmart WA Surf Life Saving Championships are the pinnacle events of the year where athletes have the opportunity to showcase their skills across the range of surf sports disciplines. Unfortunately, following the implementation of restrictions around mass gatherings due to COVID-19, a number of the 2020 winter championship

events, including the SunSmart Pool Rescue and Surfboard Riding, were cancelled.

#### SunSmart WA Masters Surf Life Saving Championships

Over 300 athletes representing 20 clubs battled it out at Mullaloo Beach in late February. Making the most of their home beach advantage, Mullaloo finished the day on top ahead of North Cottesloe. However, with the surf boats still to be contested in coming weeks, ultimately, North Cottesloe proved too strong, taking the title 37 points clear of Mullaloo in second and Trigg Island in third.

#### SunSmart WA Country Championships

Nearly 300 athletes from 13 regional clubs made the journey to Mullaloo Beach in late February to compete in the SunSmart WA Country Surf Life Saving Championships. City of Bunbury's dominance was never in doubt as they took

out their 27th consecutive Country Championship title, in no small part thanks to standout performances from athletes Kate Lockley, who took 12 wins over the weekend, and Joel Doddy, with nine.

Secret Harbour performed strongly to finish in second, and Albany rounded out the podium in third.

#### SunSmart WA Nipper Surf Life Saving Championships

Following the disappointment of last season's last-minute cancellation, this year's event saw nearly 900 eager Nippers from 22 WA clubs hit Scarborough Beach to contest the 2021 SunSmart WA Nipper Surf Life Saving Championship. Kicking off on Friday evening under the lights of the Scarborough Beach amphitheatre, conditions across the weekend were ideal for the young athletes. Sorrento took the lead early and held on, closing out the weekend with the win, while Trigg Island took second and North Cottesloe rounded out the podium in third, also securing the Handicap Trophy, which recognises the most improved club.

#### SunSmart WA Surf Life Saving Championships

Following the cancellation of the 2020 championships due to COVID-19 restrictions, the much anticipated 2021 championships saw more than 860 athletes from 22 clubs hit Scarborough beach for some fierce competition. For the first time, the Sunday finals package was live-streamed.

Standout performances over the weekend included Jazmin Shipway Carr (Trigg Island), who won all ski events available to her, including the U21 and Open Single Ski titles, while Charlie Rigby (Sorrento) took out the Open Beach Flags and Beach Sprint. However, 2021 Bernie Kelly Medallist Will Savage (Trigg Island) was the real standout, taking an astounding 14 gold, two silver & three bronze, no doubt playing a significant role in his club successfully claiming Champion Club title at the end of the weekend.

In the Surf Boat arena, North Cottesloe dominated across the weekend, with wins in the U23 & U19 Male and Female Surf Boat, Open Female Surf Boat, Open Mixed Surf Boat Relay, Open & U19 Male and Female Short Course, and Open Male & Female Reserve Grade, a dominance which no doubt aided them in securing both the Champion Youth Club and the Handicap titles.

#### WA IRB Racing Championships

Postponed due to COVID-19 restrictions, the Championships ultimately took place at Leighton Beach on 24th October. With superb racing all day, Mullaloo dominated the competition to once again successfully defending their title as WA's top IRB racing club, with Scarboro finishing second and Fremantle taking third.

#### THE AUSSIES

The largest surf sports event of its kind, the 2021 Australian Championships' The Aussies', took place in Queensland and saw a small contingent of WA athletes head over to take on the best in Australia over nine exciting days of competition. The WA highlight was undoubtedly Sophie Watts' performance which saw the City of Perth athlete take Gold in the Open Female Beach Sprint.

WA MEDALLISTS					
NAME	CLUB	EVENT			
GOLD					
Sophie Watts	City of Perth	Open F Beach Sprint			
SILVER					
Grace Young	City of Perth	U17 F Champion Lifesaver			
Megan McCaffrey	City of Perth	U15 F Beach Sprint			
Patrick Eley & Will Savage	Trigg Island	U19 M Board Rescue			
BRONZE					
Patrick Eley	Trigg Island	U19 M Board Race			
Ben Johnson	Scarboro	U19 M 2km Beach Run			
Ben Johnson & Zacariah Coleman	Scarboro	U19 M 2 x 1km Beach Relay			
Tana Wesley	Quinns Mindarie	U15 M Beach Flags			

Disappointingly, the following athletes made their respective finals but were unable to compete due to the enforcement of COVID restrictions: Max Hunter, Nikita Fredonnet, Oliver Brehaut, Max Anderson-Loake, Johann Szymanski, North Cottesloe Critical Business & the North Cottesloe Jackals

#### **AUSTRALIAN LIFE SAVING TEAM**

Congratulations to WA athletes Charlie Rigby (Sorrento), who was selected in the Australian Lifesaving Team Squad, Sophie Watts (City of Perth), who was named in the Pathways Squad, and Megan McCaffrey (City of Perth) and Tana Wesley (Quinns Mindarie), who were named in the Australian Life Saving Youth Talent ID Squad.

NIPPERS & YOUTH

**161**YOUTH LEADERS PROGRAM PARTICIPANTS

6.5%
INCREASE IN
YOUTH MEMBERS

10% INCREASE IN NIPPERS

#### **WOODSIDE NIPPERS**

The 2020/21 season was another successful one for our Woodside Nippers program, which saw a 10% growth in participation, bringing us to a total of 8,634 enrolled Nippers across WA. Eighty per cent of our clubs experienced growth in their program, in particular our south west clubs.

Completing its second year, the partnership with Woodside once again enabled us to provide every participating Nipper with a free uniform pack, including a wide-brim hat, safety rash vest and age group skull cap.

Another key element of the Woodside partnership is the Club Partnership Fee. This sees every club receive an annual payment to assist in delivering the program.

Thanks to a Lotterywest Grant, which last season saw every club receive a fully equipped Woodside Nippers' equipment trailer, we were able to distribute five nipper boards and a quantity of water safety rash vests to each club to further resource delivery of the program.

#### YOUTH PROGRAM

Surf Life Saving WA's Youth Program, which incorporates the Youth Program Pathways and Youth Leaders Program, provides a range of suggested activities across lifesaving, training, surf sports and leadership, which assist clubs in delivering a more structured program on Sunday mornings.

With continued investment in our Youth Program, it was particularly pleasing to see a 6.5% increase in youth members in the 2020/21 season.

#### YOUTH DEVELOPMENT CAMPS

Run over the summer school holidays, our hugely successful Rise-Up and TOAD camps remain an important component of our youth programs. These camps help build inter-club friendships and provide opportunities for participants to develop leadership and interpersonal skills essential to success in Surf Life Saving and day to day life.

This season, the TOAD (Teamwork, Opportunity and Development) Camp, held at Rottnest Island, had seventyone U14 & U15's from 28 clubs in attendance, all of whom gained their Radio Operators Certificate whilst on camp.

The Rise Up Camp, held in Pemberton, was run at full capacity with forty-eight U17 members from 28 clubs. Attendees had the opportunity to gain their Advanced Resuscitation Certificate whilst on camp.

We are grateful to the Scottish Masonic Charitable Foundation of WA, which has been a supporter of these camps and our youth programs for many years.

#### YOUTH PROGRAM PATHWAYS

The 2020/21 season saw the development of several new courses designed to introduce youth members to the various pathways available to them as they progress through Surf Life Saving. The Youth Trainers, Youth Age Managers, Youth Coach and Youth Event Producer Programs were introduced, alongside the very popular Youth Officials Program, which has been running successfully for several seasons. In total, there were 338 registrations across the five programs.

#### YOUTH LEADERS PROGRAM

Overarching the Youth Program Pathways is the opt-in Youth Leaders Program, designed to recognise and reward youth members for their involvement in Surf Life Saving activities. The 2020/21 season saw 161 registrations into the program; double the number achieved the previous season.

There was also a significant increase in the achievement of the three levels of the program, namely Bronze, Silver and Gold. Ninety-four youth members obtained Bronze, 40 Silver and 23 Gold. Those who achieved Gold had completed over 230 volunteer hours during their period as a youth member, a highly commendable achievement.

#### **YOUTH LEADERS PROGRAM GOLD RECIPIENTS**

Congratulations to the following youth members who received their Gold Level Certificate at the 2021 Nipper and Youth Awards presented by the Scottish Masonic Charitable Foundation of WA:

- Imogen Ashworth (City of Perth)
- Phoebe Ashworth (City of Perth)
- Lawson Baker (Esperance Goldfields)
- Sophie Baron-Hay (City of Perth)
- Amalie Haar-Bellekom (Trigg Island)
- Jack Hadley (Fremantle)
- Tayla Jones (Secret Harbour)
- Zara Kok (Trigg Island)
- Samantha Lourey (Trigg Island)
- Jasmine Noorman (Secret Harbour)
- Jonah Okines (Trigg Island)
- Kallan Parsons (Trigg Island)
- Annika Rasmussen (Mullaloo)
- Lucas Walker (Trigg Island)
- Grace Young (City of Perth)

Surf Life Saving WA is committed to educating the broader community on coastal safety through training, education and public awareness programs designed for children, parents, school groups, multicultural, and at risk groups. Delivered by our fully trained surf lifesavers who are familiar with the coastal environment and the unique challenges it presents, all revenue generated through these programs is invested back into the organisation to support our clubs and members across WA.

We also continuing to educate and upskill our volunteer members to save lives and, as a Registered Training Organisation (RTO) deliver a range of industry leading, accredited and non-accredited first aid courses and lifesaving programs to both members and the WA community.

#### 2020/21 COVID DISRUPTIONS

ROOKIE LIFEGUARD IMMERSION PROGRAM

The start of the 2020/21 season was significantly impacted by COVID-19 restrictions already in place as the season commenced, the most severe of which did not allow the delivery of any volunteer training deemed non-essential. As restrictions eased, training was able to re-commence, albeit with adjustments to meet the COVID-19 compliance requirements.

Regular communication with trainers throughout the season provided clarity and up-to-date advice on how the ongoing changes to restrictions would impact training delivery, while alternatives were offered to ensure compliance with government and industry guidelines.

## **MEMBERS**

#### MEMBER AWARDS

Despite the setback of COVID-19 restrictions, SLSWA Trainers and Assessors completed 3,057 awards during the 2020/21 season. This included 812 new Bronze Medallion awards and 645 Surf Rescue Certificates, both an increase on the previous season, while other key awards remained comparable to last season's results.

These results include awards that were completed in late 2020 after the initial assessment dates were cancelled due to the COVID-19 lockdown in March 2020. Most candidates from these affected courses completed their training at the start of the 2020/21 season.

In 2020, the Lifequard Academy was

**PROGRAM** 

created to provide opportunities and a structured pathway for members interested in moving into paid employment in the professional services, including Lifeguarding, Support Operations, and Westpac Life Saver Rescue Helicopter Crew.

The first initiative of the Lifeguard Academy was the Rookie Lifeguard Program for members aged 16-17 years, which saw Rookies gain exposure and skills directly related to employment as a Lifeguard.

The week-long program offered training in advanced lifesaving, surf skills, and fitness, in addition to lifeguard and emergency first response experiences. The inaugural program launch saw the 30 available positions sold out within minutes of registrations opening.

Upon successfully completing the program, Rookies officially graduated, with the top 10- graduates invited to participate in a week-long immersion program within SLSWA's Lifeguard services, with on-the-job mentorship.

Following the overwhelming success of the initial program, we look forward to expanding on the initiative in the coming years.

#### COMMUNITY

#### FIRST AID TRAINING

FIRST AID TRAINING **PARTICIPANTS** 

At the commencement of the 2020/21 year, all training and education activities continued to be affected by COVID-19 lockdowns and restrictions, which had significant implications for training delivery during May through July, with all courses initially postponed.

In alignment with government guidelines, only essential services continued to operate, with training carried out under strict protocols. Several adjustments and options were made available during this period to enable First Aid training delivery that complied with Vocational Education and Training (VET) and physical distancing requirements. This included using full-body manikins for patient simulation to comply with physical distancing and simulated breathing to avoid mouth-to-mouth contact with manikins.

As restrictions eased, training for the wider community resumed; however, several government guidelines and adjustments were still in place. From August, apart from a couple of abrupt lockdown periods that had a notable shortterm effect on course delivery and bookings, most training could be delivered whilst continuing to observe government requirements.

#### LIFE SKILLS FOR LIFE

The Life Skills for Life program delivers interactive introductory training that provides students in years 5-7 with the knowledge, confidence and skills to respond in an emergency, engaging students through hands-on activities using CPR manikins and a training defibrillator to simulate real-life emergencies.

In 2020/21, approximately 1,300 students participated in the program, which included the delivery of Life Skills for Life to Out of School Hours (OSH) holiday programs.

#### SURF SURVIVAL AND BEACH **ACTIVITIES**

These school programs deliver on-beach training activities that teach students vital skills, including negotiating the surf break, recognising rips and hazards associated with the beach and ocean, and of course, where to swim safely.

Delivered by qualified SLSWA surf lifesavers, many schools took part in the program. More than 1,000 students regularly attended the weekly sessions, culminating in a carnival-style activity, using their newfound skills and confidence

#### SURF LIFE SAVING CADETS

SLSWA's Cadets is an in-school program delivered for students aged 13 to 17. The program provides an opportunity for students to learn how to become a lifesaver by participating in a range of activities and courses, including Community Surf Rescue Certificate, Provide First Aid and for some participants, the Bronze Medallion.

SLSWA currently has seven cadet units operating in schools, with over 200 students participating in the 2020/21 season..

#### **BEACHSAFE COMMUNITIES**

Entering its seventh year, our partnership with Lendlease and Development WA continues to provide the residents of Lendlease's Alkimos Beach and Alkimos Vista Estates with access to a range of beach safety and first aid programs throughout the year. We welcomed the extension on our partnership for another two years, taking us to 2023.

Our programs run from the beach, local schools, community centres, and the Alkimos Surf Life Saving Club. The scorecard below outlines the significant engagement seen over the 2020/21 season.

#### BeachSAFE Program Scorecard

SEASON 2020/21 (JUNE 2020 TO JUNE 2021)

1,000 homes currently occupied in Alkimos Beach & Alkimos Vista

2,578 people were engaged in a BeachSAFE program at Alkimos Beach & Alkimos Vista this year

#### **COMMUNITY PROGRAMS**

Sprout Hub, Pop Up Library and Alkimos Beach

232 adults and children developed their skills in a community based program

**102** SurfBabies and SurfKids /2-7 year olds

18 Holiday Nippers / 7 - 13 year olds

**108** HLTAID003 Provide First Aid certificates

4 HITAID001 Provide CPR certificates

#### SCHOOL PROGRAMS

St James' Anglican School, Alkimos Beach Primary School, Surf Life Saving Facility and Alkimos Beach

1,235 students from St James' and Alkimos Beach Primary School completed BeachSAFE programs

**547** Surf Survival

**41** HLTAID003 Provide First Aid certificates

**61** HLTAID001 Provide CPR certificates

**8** Community Surf Rescue certificates

**578** Surf Life Saving Carnival

750 Alkimos Beach PS students from K-Yr6 experienced the visit from the Westpac Life Saver Recue Helicopter.

## ALKIMOS SURF LIFE SAVING CLUB PROGRAMS

Alkimos Surf Life Saving Facility and Alkimos Beach

**38** members registered for various Youth Program Pathways

2 Bronze Medallions awarded

Surf Rescue certificate

6 Age Manager certificates

**7** Nipper Rescue certificates

**151** Nipper Members / 5 - 12 year olds

156 Senior Members / 13+

#### **DROWNING OVERVIEW**

#### OVERALL

- 21 coastal & ocean drowning deaths
- No increase on previous season

#### **DEMOGRAPHICS**

- 95% were male
- 28% were in the 70–79-year stage of life

#### TIME

- 52% occurred between 9am and 5pm
- 57% occurred in the afternoon (12pm-6pm)
- 57% occurred during the week Mon to Fri
- $\bullet\,$  67% occurred in spring & summer

#### **ACTIVITY**

- 29% related to boating
- 19% related to swimming/wading
- 14% related to watercraft

#### **CONTRIBUTING FACTORS**

- 19% with known medical conditions
- 14% known to be drugs/alcohol related

#### **LOCATION** (REGIONS)

- 38% occurred in the Perth Metropolitan area
- 29% occurred in a remote area

The table below summarises the previous 3 seasons of coastal and ocean drowning deaths in WA.

1 JULY – 30 JUNE	COASTAL DROWNING DEATHS	OCEAN DROWNING DEATHS	TOTAL
2020-21	17	4	21
2019-20	21	0	21
2018-19	8	5	13

These deaths are classified as either coastal or ocean, based on the distance from the shoreline, and figures are correct as of 1 July 2021. However, pending the outcome of ongoing coronial investigations, this data may be amended. Figures may also differ to previous annual reports due to pending coronial investigations and differing reporting period.

Coastal drowning death: Where the location of the drowning is on the coast, in the ocean up to 3NM offshore or inland up to five times the width of the inlet/river

Ocean drowning death: where the location of the drowning is in the ocean between 3NM and 12NM (the Australian territorial water limit).

SLSWA collects and analyses coastal drowning data to identify trends and support evidence-based decision making for drowning prevention efforts. Data is collected through media monitors and confirmed through the National Coronial Information System (NCIS).

While the figure of 21 remains the same as the previous year, it is still above the average and remains far too many, and we will continue to work towards a goal of zero preventable drowning deaths off our coast.

However, we must recognise that this figure would be significantly higher were it not for the rescues performed by our lifesaving services in 2020/21.

According to the 2018 Cost Benefit Analysis of Surf Life Saving in WA, 5% of Total Rescues\* would have resulted in a fatality. This means that, without the 1,321 Total Rescues performed in WA across the 2020/21 season, the number of coastal and ocean drowning deaths would have potentially risen by a further 66 fatalities.

\*Total rescues = Rescues + (Preventative Actions x 1%)

<sup>^</sup>Remote location: coastal areas including the North coast: Pilbara to Kimberley, the Gascoyne coast and Goldfields-Esperance coastline.

#### The Coastal Bravery Awards presented by Surf Life Saving WA

aim to recognise and celebrate those who display selflessness and bravery whilst endeavouring to save the life of another on the West Australian coast.

Awards nominations come from community members, emergency service agencies and SLSWA's own lifesavers, and an appointed committee with expertise in coastal safety and rigorous criteria.

Nearly 150 guests joined Master of Ceremonies Monika Kos for the 2021 Coastal Bravery Awards ceremony on Friday, 8 May, as forty-one individuals were recognised for their acts of bravery performed on the WA coast. Recipients included everyday citizens, members of the WA Police, and several SLSWA members and youth.

We were delighted to have Mr Stuart Aubrey MLA, Member for Scarborough and Scarboro Surf Life Saving Club member, representing the Hon. Reece Whitby MLA, Minister for Emergency Services, presenting each recipient with their medallion and framed certificate.

#### LIFE & SPORTING HALL OF FAME MEMBER DINNER

After a break in 2020 due to COVID-19, we once again hosted the annual SLSWA Life and Sporting Hall of Fame Member Dinner at Scarboro Surf Life Saving Club over the weekend of the SunSmart WA Senior Surf Life Saving Championships.

Hosted by Surf Life Saving WA President Craig Smith-Gander, this event continues to provide a fantastic opportunity for the stalwarts of Surf Life Saving in WA to catch up, reminisce and hear about the activities and achievements of the organisation over the past year.

#### 2020 SLSA AWARDS OF **EXCELLENCE**

While COVID-19 restrictions saw the cancellation of the inperson awards ceremony, members from across the country came together for an online event on Saturday 7 November 2020, where 13 awards were presented across the lifesaving, sport and education categories.

A huge congratulations to the five WA members who successfully took out the national titles in their respective categories and congratulations to the other finalists who represented WA with pride.

#### 2020 SURF LIFE SAVING AUSTRALIA **AWARDS OF EXCELLENCE**

#### Trainer of the Year

Bernadette Flint - Mullaloo SLSC

#### Youth Lifesaver of the Year

Campbell Shaw - North Cottesloe SLSC

## 2021 Surf Life Saving WA NIPPER & YOUTH AWARDS

More than 80 outstanding young individuals were recognised for their achievements across a range of areas, including lifesaving, surf sports and training at Surf Life Saving WA's annual Nipper & Youth Awards presented by the Scottish Masonic Charitable Foundation of WA, held in April this year.

This was the first in-person ceremony for the Nipper & Youth Awards, with the inaugural 2020 event being held online due to COVID-19 restrictions.

In addition to the five major category winners, 16 other outstanding individuals were also recognised for their attainment of Gold Level in the Youth Leaders Program, which required them to have accumulated more than 230 volunteer hours during their period as a youth member, demonstrating significant commitment and dedication across multiple seasons.

Congratulations to all recipients, finalists and winners, who are great young ambassadors for their clubs and show the future is bright for Surf Life Saving

A special thank you goes out to our presenting partner, the Scottish Masonic Charitable Foundation of WA, whose support of SLSWA's youth members is invaluable.

## Awards of Excellence

## 2021 WINNERS

More than 520 attendees representing WA's 31 surf life saving clubs, as well as corporate and government partners, packed out Crown Ballroom for the 2021 SLSWA Awards of Excellence, celebrating the hard work and achievements of our members across the year.

Trigg Island Surf Life Saving Club had an outstanding year, resulting in the club and its members taking out seven of the top gongs, including the coveted Lavan Club of the Year title, along with a cheque for \$10,000.

Three of Trigg Island's wins were thanks to star athlete Will Savage who was named Youth Athlete of the Year, Bernie Kelly Medallist and was one half of the duo named Surf Sports Team of the Year with fellow club mate Patrick Eley.

Congratulations to all the finalists and medallists on the evening and thank you to the dedicated committees and judges who worked hard behind the scenes to consider and assess each submission.

First - Trigg Island SLSC

Second - Swanbourne Nedlands SLSC

Third - Fremantle SLSC

# MARKETING & COMMUNICATIONS

The Surf Life Saving brand is an iconic Australian image held in high regard; the red and yellow uniform and flags an instantly recognisable and trusted presence on the coast.

This iconic imagery is at the forefront of all marketing and communications activities as SLSWA continues to grow community awareness of the organisation's role in educating the beach going public and providing a vital community service.

18% FOLLOWING **INCREASE** 

11% **FOLLOWING INCREASE** 

67,312 **SOCIAL MEDIA FOLLOWERS** 

INCREASE

**26%** USERS INCREASE MYBEACH.COM.AU

**36%** USERS INCREASE NIPPERSWA.COM.AU

#### MARKETING ACTIVITIES

Two key campaigns delivered in the 2020/21 season were for our Woodside Nippers registrations and our summer safety campaign, featuring our Westpac Life Saver Rescue Helicopter Service.

Assisting to drive growth in membership at our clubs, the Woodside Nippers campaign continues to have a strong presence in the market in the lead up to season registrations. Last year's campaign included a range of outdoor media, including billboards and bus sides, along with digital elements, including Facebook advertising. All marketing collateral and resources were provided to clubs to leverage campaign activity through their communications channels and help build brand recognition. The nipperswa. com.au website experienced a 36% increase in visitation from the previous season, while we saw a 10% increase in Woodside Nipper registrations.

This year, we launched our new summer campaign creative featuring our Westpac Life Saver Rescue Helicopter Service. Building on the beach safety messaging of previous years, the campaign aimed to raise awareness of the service and its essential role in coastal safety. The campaign, delivered across radio, print, outdoor (including billboards and bus sides) and digital mediums, directed people to the service webpage, which experienced an 843% increase in visits on the previous year. We also continued to promote the enduring "swim between the flags" message across the peak summer holiday period.

#### COMMUNICATIONS

Digital channels, including our websites and social media channels, play a central role in our communications strategies to share information with members and the WA community. We continue to experience positive organic growth across our social media channels and in visitation to our websites.

We once again live-streamed key surf sports events, including the SunSmart WA Surf League, and for the first time this year, the finals action from our SunSmart WA Surf Life Saving Championships on our Facebook and YouTube channels, generating significant traffic and views.

We regularly communicated with clubs, members and stakeholders via a range of eNewsletters. This includes our weekly Club News to club administrators and committees, the monthly members' My Beach News, and our in-season Nipper News eNewsletter to all our Woodside Nipper families.

We also continued refining our communications to ensure we provided relevant, timely and quality information to our audience segments. In particular, our youth members received specific communications highlighting opportunities available to them across the year. These communications were instrumental in driving growth and engagement in this key demographic.

#### MEDIA AND PUBLIC RELATIONS

We continue to proactively engage with local and state media, regularly disseminating stories and information to highlight the achievements of our organisation, our clubs and our members across the breadth of our activities.

We distributed numerous media releases and video news releases throughout the year, targeting local and state media outlets, which saw us generate significant coverage across print, television, and radio outlets. This included excellent coverage for events such as our annual Coastal Bravery Awards, Nipper & Youth Awards, and our SLSWA Awards of Excellence.

For every beach rescue, dedicated surf lifesavers spend hours on and off the beach, gaining the skills they need to face any emergency. The funding received from generous community members helps our local lifesavers save lives and keep our WA community safer on the beach and in the water.

Donors to SLSWA help provide essential resources, first aid and surf rescue training; leadership training to develop promising young lifesavers into skilled and confident patrol leaders and club managers; and support training for specialised equipment such as jet skis and surveillance drones that are now an integral part of our lifesaving services.

Thank you to all donors for the lives you've helped save this year.

#### **WINTER APPEAL**

The Winter 2020 Appeal called for supporters to help our volunteer surf lifesavers to be ready to save lives at any time. Because of the generous response to this appeal, our volunteer surf lifesavers can continue to keep people safe on West Aussie beaches with the equipment, first aid training and resources they need to face any situation.

\$1,500

Cost to maintain basic **first aid equipment** for one club per year

Z,195
West Aussies receive first aid from lifesavers each year

# **FUNDRAISING**

#### SUMMER APPEAL

The focus of our summer appeal was the new SLSWA Development Centre. Situated in Margaret River, this facility will become a 'home away from home' where volunteers from clubs across WA can come together, connect, share

knowledge and train. It is where our young volunteers can gain the skills necessary to step up as the next generation of leaders for our wonderful movement

The support of donors to the SLSWA Development Centre project will have a lasting impact, helping to unite our community and support the training and development of volunteer lifesavers for generations to come.

#### **BEACH CHAMPIONS**

Our committed monthly supporters are a crucial part of our lifesaving team, keeping beachgoers safe and protecting our fabulous West Aussie way of life.

In late 2020, a special new community named "Beach Champions" was created for these supporters to truly reflect exactly what they are.

Being able to rely on our Beach Champions regular support means that we can plan for vital lifesaving equipment and training, and invest in innovative equipment to save lives. We thank our current and past Beach Champions for going above and beyond to keep people safe on our WA beaches.

#### **BEACHSAFE STREET APPEAL**

The BeachSAFE Street Appeal remains a significant annual fixture in SLSWA's fundraising calendar. Last year for the first time, the street appeal was combined with an online BeachSAFE Giving Day on 4 December 2020, providing an additional avenue for community members to give.

These appeals provide an opportunity for our surf life saving clubs to connect with their local communities to support Surf Life Saving in WA at a time of year when beaches and the vital service clubs provide for our communities are front of mind

Clubs took to the streets and social media to raise almost \$27,000 and awareness of the important role of Surf Life Saving in the community.

#### **WAVE OF THE FUTURE**

Thank you to the wonderful members of our Wave of the Future community who leave a lasting legacy of a gift in their

Thanks to their generosity, we know we will always have enough funds on hand for our volunteer lifesavers to undergo training in and out of the water. They also give us the ability to plan and to make sure our equipment is always up to date, and our surf lifesavers have everything they need to provide emergency first aid and save lives year after year.

A gift in a Will can be made to SLSWA for the benefit of state-based projects or through SLSWA but directed to a specific surf life saving club to support local initiatives.

#### **BOARDIES DAY**

We were honoured to once again have support from many schools, businesses and individuals who organised a Boardies Day to support their local surf life saving club and SLSWA. Boardies Day is as easy as picking a day, registering an event,

planning fun activities and getting everyone involved. All registered participants have access to a range of resources, beach safety plans, and tips to support fundraising activities.

One exciting event was our first community-wide Boardies Day. Community members turned up proudly wearing their favourite boardies to raise funds with a car wash, bubble mania session, face painting and a sausage sizzle to support volunteer surf lifesavers.

#### **PARTNERSHIPS**

The dedication of SLSWA members is matched only by that of our extraordinary partners, whose collective commitment and passion for Surf Life Saving in WA enables us to focus on what we do best – saving lives. We thank them for their continued and valued support.

#### **NATIONAL PARTNERS**

#### **AMPOI**

In December 2020, it was fantastic to welcome Ampol on board as a new Major National Partner of Surf Life Saving Australia. The partnership sees two iconic Australian brands join forces to help deliver safer beaches and save lives. It underpins Ampol's commitment to being a positive contributor in the communities where it operates and using its scale, network and employee base to improve the lives of all Australians.

#### DHL

As a Major National Partner of Surf Life Saving Australia, DHL has been helping surf lifesavers deliver safer beaches since 2003. DHL is the global market leader in the logistics and transportation industry and shares many core values with Surf Life Saving Australia, including speed, passion and a can-do attitude.

#### ISUZU UTE

In 2021, Surf Life Saving Australia was proud to welcome Isuzu UTE Australia as a Major National Partner and the Official Automotive Supplier of Surf Life Saving Australia. We are looking forward to building on this partnership as they support our lifesaving services around Western Australia and Australia.

#### WESTPAC

Westpac has been proudly partnering with Surf Life Saving Australia for over 40 years through their support of the Westpac Life Saver Rescue Helicopter Service, including our WA services based out of Fremantle and Busselton.

#### **HOLDEN**

While the Holden partnership with Surf Life Saving Australia came to an end in 2020, we were fortunate to have enjoyed the support of this iconic Australian organisation, which shared a commitment to supporting our fellow Australians, both on the road and at the beach.

#### NATIONAL PARTNERS

#### STATE PARTNERS

#### **MAJOR PARTNERS**

#### **HEALTHWAY**

Healthway is a long-standing supporter of SLSWA, promoting the SunSmart message by sponsoring our yearround calendar of surf sport events, including the SunSmart WA Surf Life Saving Championships and the SunSmart WA Surf League. The SunSmart message is important for our surf lifesavers and membership, and we are grateful for their continued support.

#### **WESFARMERS**

Jet skis are a vital frontline workhorse in surf lifesaving operations in WA for both emergency response and patrol work. Wesfarmers have supported our Jet Ski Program since 2008. This support has enabled the growth and expansion of this important service, allowing for the placement of new teams at even more locations along our WA coast.

#### WOODSIDE

Woodside continues to be a strong supporter of our organisation, having come on board as safety partner in 2012, providing essential safety equipment for our lifesavers and supporting the development and enhancement of our beach camera network. In 2019, this support extended to include the Woodside Nippers program, helping train our lifesavers of the future.

#### **GOVERNMENT OF WESTERN AUSTRALIA**

SLSWA receives significant support from the WA Government by way of service agreements and grants through the Departments of Premier and Cabinet; Local Government, Sport and Cultural Industries; Primary Industries and Regional Development; and Fire and Emergency Services, which assists in the delivery of a range of services and capital equipment projects.

Lotterywest also provides invaluable support to SLSWA and many of WA's surf life saving clubs, assisting with grants for vital infrastructure and equipment needs.

#### **COMMUNITY PARTNERS**

#### LENDLEASE

Thanks to the highly successful and innovative partnership with Lendlease and Development WA at Alkimos Beach and Alkimos Vista, every resident of these estates is provided free access to our beach safety education and awareness programs run from the local schools, community centres and the Alkimos Surf Life Saving Club.

#### SCOTTISH MASONIC CHARITABLE FOUNDATION OF WA

The Scottish Masonic Charitable Foundation has long supported our youth members through their generous support of our highly popular Rise Up and TOAD summer camps and Youth Programs. In recent years, this support has extended to include presenting partners of our Nipper & Youth Awards.

#### SUPPORTING PARTNERS

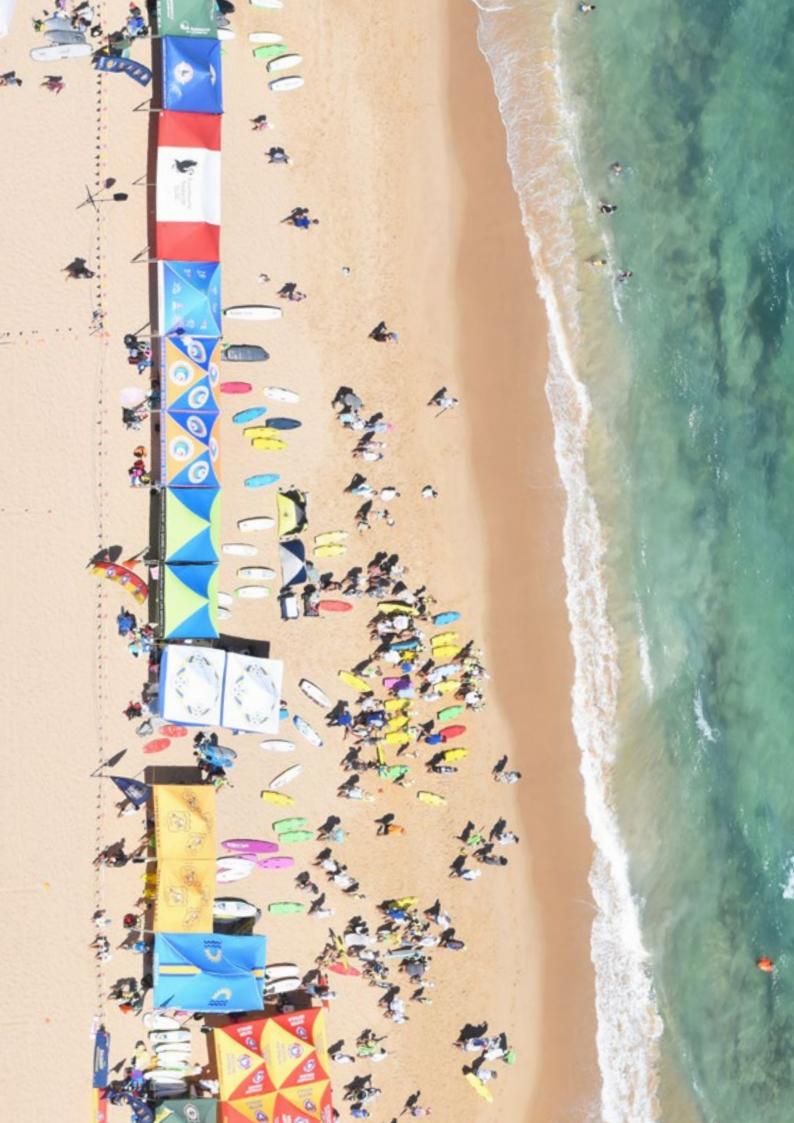

#### **ENGINE**

SLSWA is proud to have Engine as the official apparel partner of our Western Suns state representative teams and our preferred supplier of swimwear and apparel.

#### LAVAN

Thanks to Lavan, who continue to generously support our annual SLSWA Awards of Excellence through their sponsorship of the Lavan Club of the Year category.

#### **BOARD OF DIRECTORS**

#### Craig Smith-Gander AM - President

Elected as President of SLSWA in August 2014. Craig is a former president of North Cottesloe SLSC and a life member of the club. He is a past Chair of Surf Sports for SLSWA and past member of the Australian Surf Sports Advisory Board. He is a Director of Surf Life Saving Australia.

Craig is the owner and Managing Director of Kwik Logistics, Director of the Future Force Foundation and Chairman of the Western Roads Federation. Craig has had a lifetime involvement in sport, including hockey and surf boats at elite level, and competed in Australia and overseas in cycle road racing. He played plenty of rugby union in the Army and has tried his hand at pretty much every sport available. Craig continues to cycle and competes as a sweep in surf boat competitions.

#### **Jarod Stone**

Appointed to the SLSWA Board in May 2012. Jarod is a Chartered Accountant who has worked in the accounting and finance industry for more than two decades. Jarod has previously worked with Ernst & Young, Gooding Partners Chartered Accountants and spent time working in the UK and Europe. Since returning to Perth in 2004 he worked in private family offices for nine years and was most recently Financial Controller at Wabtec Control Systems. Over that time, he has gained experience across industries such as television and film production, aviation, domestic and international property, commercial aquaculture, construction, corporate healthcaré, finance, rail communications and labour hire. Jarod is currently the Chief Operating Officer at Hoppr Ltd, a startup specialising in ad placement technology, a Director and Shareholder of Clear Corporate Solutions, an outsourcing company focused on finance and administrative placements, and is a Director of the Azure Capital Foundation.

#### **Garry Williams CSM**

Appointed to the SLSWA Board in April 2013. Garry and his family (Megan, Andrew and Jessica) are all active members of Secret Harbour SLSC, having joined the club in 2005, with Garry and Megan being life members of the club. Garry is the clubs RWC Officer and Youth Involvement Program Coordinator. He is a trainer, assessor, competitor and official with a passion for the ongoing development of our youth as not only lifesavers but as future leaders in our community. He was awarded SLS's National Volunteer of the Year in 2009.

Garry is an Aeronautical Engineer, a serving member of the Royal Australian Navy and has significant Heavy Lift Helicopter Aviation Engineering Experience both in embarked Navy Frigates and ashore in Naval Aircraft Squadrons. He is a recipient of the Defence Conspicuous Service Medal for meritorious achievement and devotion to duty. Garry has extensive leadership and project management experience gained through his work in Defence and is currently the Navy Project Manager for the integration of the Navies Sea Hawk (MH60 Romeo) Helicopters into the Navies ANZAC Class Frigate.

#### **Chris Brien**

Appointed to the SLSWA Board in August 2014. Chris has been an active patrolling surf lifesaver since 1991, upon gaining his bronze medallion at Scarboro SLSC. After moving to Esperance in 1994 he became a member of Esperance Goldfields SLSC. As well as rowing and sweeping surf boats, Chris is also a trainer, assessor and officiates at carnivals. Chris has held a wide range of positions at Esperance Goldfields including nine years as President and is a Life Member of the club. In his early years as a club president Chris sat on the state council until the governance change in 2005. He then attended president forums until he resigned as president in 2012. Chris has been key in establishing the Jet Ski Team in Esperance and is the Coordinator and Duty Officer for the South East region.

In 2010 Chris was awarded a citation of appreciation from the Western Australian Police for his leadership during the Bremer Bay search. In 2011 he was honoured with the inaugural SLSWA Support Operations Volunteer of the Year award. Chris has owned and run several businesses since leaving the Army in 1984. For the past twenty two years has been operating a successful concrete and roof truss business in Esperance.

#### Sarah Leonard

Appointed to the SLSWA Board in October 2014. Sarah is the General Counsel and Company Secretary of Lynas Rare Earths Limited. She is an experienced general counsel and a leading resources and infrastructure lawyer. She was previously the Group Legal Counsel at Monadelphous Group Limited and a Partner of Corrs Chambers Westgarth.

Sarah is experienced in governance, contract negotiation and risk management. Sarah was formerly the Education Officer at City of Perth SLSC and was a participant in the SLSA National Leadership Development Program.

#### Heidi Gan

Appointed to the SLSWA Board in September 2017. Heidi is a two-time Olympian in the sport of open water swimming, has competed at the world championships in both surf lifesaving and swimming, and is a multiple medallist at both the State and National Surf Lifesaving Championships. Sporting success aside, Heidi is an Associate in the Litigation & Dispute Resolution practice of Clifford Chance, a leading international law firm. She has experience in high profile commercial litigation and complex regulatory investigations. Her experience includes advising listed and private companies, and individuals on a broad range of areas including contractual claims, Corporations Act matters, corporate disputes, investigations, class actions, and directors' and officers' liability.

Heidi has been an active patrolling surf lifesaver since 2005 and has most recently been a member of the City of Perth SLSC. Heidi is also a committee member of the Law Society of Western Australia's Young Lawyers Committee, and a tribunal panel member of Football West. She has extensive experience in the not- for-profit sector and is a passionate advocate for community clubs and grassroots sports.

Heidi was named the 2020 Women Lawyers of Western Australia Junior Lawyer of the Year, 2020 Law Society of Western Australia Lawyer of the Year (< 5 years PQE) and 2021 Asian Australian Lawyers Association Diversity Leader of the Year.

#### Leesa Equid

Appointed to the SLSWA Board in June 2019. Leesa is SLSWA's Honorary Medical Officer and 2015 SLSWA DHL Lifesaver of the Year. As an active member of Swanbourne Nedlands SLSC since 2009, Leesa has held Higher Education, and First Aid Officer positions at her club, and was a member of the SLSWA Lifesaving Advisory Committee from 2015-2016.

In addition to her lifesaving duties, Leesa has also been a fierce surf sports competitor, achieving 9 gold, 2 silver and 2 bronze medals at WA Championships and bronze at a National Level.

Leesa is an Emergency Doctor working for the Royal Flying Doctor Service and Joondalup Hospital Emergency Department as an Emergency Specialist. Leesa has completed her Bachelor's Degree in Medicine and Surgery (HONS) in 2012 at the University of Western Australia and has since gained her Certificate IV in Training and Assessment; her Certificate of Clinician Performed Ultrasound (CCPU) AAA and eFAST (Australasian Society of Ultrasound in Medicine) and most recently completed her Fellowship in Emergency Medicine in mid-2020 (FACEM - Australasian College of Emergency Medicine).

### **CORPORATE GOVERNANCE**

Surf Life Saving Western Australia Inc. (SLSWA) is an incorporated body under the Associations Incorporation Act 2015 (WA) and is recognised as the official 'State Centre' and controlling authority for Surf Life Saving in Western Australia. SLSWA is subject to compliance with the Rules and Regulations of Surf Life Saving Australia Ltd (SLSA) and is recognised for administering and focusing on surf lifesaving in Western Australia (WA). This statement summarises SLSWA's governance practices that were in effect during the year, highlighting decisions and reporting in accordance within the Rules and Regulations of SLSWA.

#### **Communications with Members**

The SLSWA Board aims to ensure that members are kept informed of all major developments affecting surf lifesaving. Information is communicated to members through this document (SLSWA's Annual Report), bulletins, circulars, minutes and memorandums with respect to changes in business, financial position, future development, results and activities, and quarterly State Council meetings and member advisory board meetings. Electronic information is also available on the SLSWA website: www.mybeach.com.au

#### **General Meetings of Members (State Council)**

The State Council is the legal owner of SLSWA. Its role is to amend the SLSWA Constitution, review and elect the Board, review SLSWA's financial position and approve the strategic outcomes presented by the Board.

The State Council comprises the Chairman (President of the Board), Mr Craig Smith-Gander AM and a Club Delegate from each of the affiliated clubs in WA each with the right to vote at general meetings. The Chairman may exercise a casting vote but no deliberative vote. SLSWA Life Members, Board Members, and the Chief Executive Officer have the right to be present and to debate at general meetings, but not to vote. SLSWA full-time and honorary officers and individual members were allowed to attend general meetings as visitors. In addition to the AGM on 5 September 2020, the Board under Part 21, Para 21.1 of the SLSWA Constitution, convened two State Council meetings held on 17 June 2020 and 5 September 2020.

#### **Board of Director's Composition and Meetings**

The Board is responsible to members for overall business performance. It enacts SLSWA's strategic direction and priorities to be both appropriate and achievable; ensures the financial viability and security of SLSWA; established the policy and regulatory framework for governing SLSWA; monitors organisational compliance with relevant legislation and regulations; assesses risks facing the organisation; and appoints committees and honorary officers to carry out aspects of their work.

The Board comprised the Chairman and seven Board Members who are individual members of SLSWA, each with the right to one vote on any question. The Chairman has a casting vote but no deliberative vote. These are honorary positions that attract no remuneration except for reimbursement of expenses such as telephone, travel and accommodation costs incurred whilst performing Board activities. Board Members are elected in accordance with Part 25, Para 25(a) of the SLSWA Constitution.

Name	Meetings Held	Meetings Attended	Expires

#### Conflict of Interest

Each Board Member declared their interest in any contractual, selection, disciplinary or other matter in which a conflict of interest arose and made absent him/her from discussions of such matters and was not entitled to vote in respect of such matter. In the event of any uncertainty as to whether it was necessary for a Board Member to refrain from discussions or voting, the issue was immediately determined by the Board.

#### Code of Conduct

The Board has in place a Code of Conduct contained in its Personnel Handbook which all full-time and honorary officers and committee members must adhere to. An induction program, including the provision of the handbook and member brochure was made available to all SLSWA personnel.

#### Chief Executive Officer

SLSWA's most senior employee, the Chief Executive Officer is appointed by the Board and is subject to annual performance reviews by the Board. The role is responsible for the day-today operations of SLSWA. Mr. James O'Toole was appointed to this position, officially commencing on 18 February 2015.

#### **COMMITTEES OF THE BOARD**

Committees and member advisory boards are constituted by Part 33 of the SLSWA Constitution to assist the Board in the discharge of its responsibilities. The committees and member advisory boards are for held for one-year term, this term being 2020/2021. The Australian Honours and Awards Committee is held for two-year term, this being 2020/2021 and 2021/2022

#### **Australian Honours and Awards Committee**

The Life Members and Awards Committee recommends to the Board nominations of individual members for SLSWA Life Membership, SLSA Life Membership, appropriate levels of Australian Honours and Awards. The committee comprised Timothy Tucak (Chair), Garry Williams, Stephen Carrick, Tracey Tenaglia and David Somers (Nominee of the SLSWA

#### **Lifesaving Committee**

The Lifesaving Committee develops, monitors and reviews standards, policy and procedures relating to water safety, patrols, training and assessment. The committee comprised Liam Burke (Chair), Elise Stallard, Brett Wakefield, Hollie Sheils-Rudd and Nick Pavy (Nominee of the SLSWA CEO).

#### **Sports Committee**

The Surf Sports Advisory Committee selects finalists and winners for Awards of Excellence categories and makes recommendations through the CEO to the Board of Directors regarding the direction of surf sports in WA. The committee comprised Stuart Clarke (Chair), Timothy Tucak, Ceris Humble, Rob Innocent, Dana Debondt, Sonja Belle-Wood and Andrew Mosel (Nominee of the SLSWA CEÓ).

#### **Development Committee**

The Development Advisory Committee recommends initiatives to provide leadership opportunities and pathways to all members and clubs in WA and is involved in establishing good practice models for the development of our junior members. The committee comprised Vicki Rasmussen (Chair), Angela Razvi, Erin Gallagher, Jesse Tucak, Belinda Somers and David Somers (Nominee of the SLSWA CEO).

#### **Education and Training Committee**

The Education and Training Advisory Committee has been tasked to review education and training programs, policies and activities together with undertaking research and development as required. The committee is to participate in moderation and validation of resources and engage in the delivery of the strategic direction of Member Education of SLSWA. The committee comprised Michael Shaw (Chair), Graham Sharpe, Lauren Darge, Monica Reinhardt, Jeff Medcalf and David Gallagher (Nominee of the SLSWA CEO).

#### **Finance and Audit Committee**

The Finance and Audit Committee oversee the reliability and integrity of accounting policies and financial reporting. The committee comprised Jarod Stone (Chair), Sarah Leonard, James O'Toole, Rob Murphy and Alexandra Smith.

#### Risk and Governance Committee

The Risk and Governance Committee oversee the development of a through Risk Management Plan and the continuing assessment of our performance against the plan. The committee comprised Craig Smith-Gander (Chair), Garry Williams and Rob Murphy.

#### Strategic Committee

The Strategic Committee identifies strategic issues and recommends to the board visions and strategic initiatives. The committee comprised Chris Brien (Chair), James O'Toole, Mike Rees, Andrew Dimsey, Linda Wayman and Reece Baker.

# FINANCIAL REPORT

# **FINANCIAL REPORT**

FOR THE YEAR ENDED 30 APRIL 2021

ABN: 38 926 034 500

#### **CONTENTS**

Directors Report	58
Statement of Profit or Loss and Other Comprehensive Income	59
Statement of Financial Position	60
Statement of Changes in Equity	61
Statement of Cash Flows	61
Notes to the Financial Statements	62 - 73
Directors' Declaration	73
Audit Report	74 - 76

#### **DIRECTORS' REPORT**

The Directors submit the financial report of Surf Life Saving Western Australia Inc. ("the Association") for the year ended 30 April 2021.

#### **BOARD OF DIRECTORS**

The names of Directors throughout the year and at the date of this report are:

James O'Toole Craig Smith-Gander AM Garry Williams Jarod Stone Chris Brien Sarah Leonard Leesa Equid Heidi Gan (CEO) (President)

#### **PRINCIPAL ACTIVITIES**

The principal activities of the Association during the financial year were:

 The provision of life saving and emergency services, recreation, sport and youth development throughout Western Australia.

The operating activities of Surf Life Saving Western Australia Inc. reported a surplus of \$1,268,255 (2020: \$565,479 - Restated).

The surplus will continue to provide support across several areas of the movement, these include:

- 1. maintaining and improving key assets such as IT infrastructure and the ERCN network;
- 2. expediting the rollout of various equipment, and providing for maintenance and replacement;
- 3. assistance with the development of new programs to provide long term benefit to clubs and their members, in particular Nippers, Youth and Surf Sport development;
- 4. assisting the Association to deploy more services in growth areas, and to assist clubs with their expanding role/s in the delivery of frontline services;
- 5. allowing increased focus outside of the metropolitan area, including the substantial re/development of the Margaret River site to create a world class facility for use in training, development and surf sports competition along with providing enhanced local support to members and clubs in the southwest region;

and

6. enabling continued investment in our internal fundraising capacity for the benefit of all SLSWA clubs.

Signed in accordance with a resolution of the Board of Directors.

( m-5C J. 0 1001

Craig Smith-Gander AM

James O'Toole

President

Chief Executive Officer

Dated this 31st day of August 2021

# STATEMENT OF PROFIT OR LOSS AND OTHER **COMPREHENSIVE INCOME** FOR THE YEAR ENDED 30 APRIL 2021

The accompanying notes form part of these financial statements.

#### **FOR THE YEAR ENDED 30 APRIL 2021**

#### **NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations), other authoritative pronouncements of the Australian Accounting Standards Board, the requirements of the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporation Act 2015.

The financial report covers Surf Life Saving Western Australia Inc. as an individual entity. Surf Life Saving Western Australia Inc. is an Association incorporated in Western Australia under the Associations Incorporation Act 2015.

The financial report of Surf Life Saving Western Australia Inc. as an individual entity complies with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety. Compliance with AIFRS ensures compliance with International Financial Reporting Standards.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

#### **Basis of preparation**

The accounting policies set out below have been consistently applied to all years presented.

Reporting Basis and Conventions

The financial report has been prepared on an accrual basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied. The amounts presented in the financial report are present in Australian dollars and have been rounded to the nearest dollar.

#### New, revised or amending Accounting Standards and Interpretations adopted

The Association has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the preparation of the Association's annual financial statements for the previous reporting period.

#### **Accounting Policies**

#### (a) Income Tax

The Association has obtained tax-exempt status under current Australian Taxation legislation.

#### (b) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the Association's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the Association's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

#### (c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

#### Property

Freehold land and buildings are recorded at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial valuations by external independent valuers. During the intervening periods, the fair values are determined on the basis of a Directors' valuation.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Decreases that offset previous increases of the same asset are recognised against fair value reserves directly in equity; all other decreases are recognised in profit or loss.

#### **FOR THE YEAR ENDED 30 APRIL 2021**

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

#### Plant and Equipment

Plant and equipment is measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

#### Depreciation

The depreciable amount of plant and equipment along with the motor vehicles and building fitouts are depreciated on a diminishing value basis or straight line basis over their useful live from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets (excluding land and buildings) are:

#### **Class of Fixed Asset Depreciation Rate**

25% to 33% Office equipment Coastal Safety equipment 25% to 100% Surf education equipment 30% Competition equipment 16-67% Motor vehicles 12.50% to 25% Building fit-out 10%

Assets residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income.

#### (d) Impairment of Assets

At each reporting date, the Association reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value-in-use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

#### (f) Employee Benefits

Provision is made in respect of the Association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

#### (g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks and other short-term highly liquid investments with original maturities of three months or less.

#### **FOR THE YEAR ENDED 30 APRIL 2021**

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

#### (h) Revenue recognition

The Association recognises revenue as follows:

#### Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

#### Grants/Sponsorship

Grant revenue is recognised in profit or loss when the Association satisfies the performance obligations stated within the funding agreements. If performance obligations are not sufficiently specific, the Association recognises this revenue, at a point in time, which is generally on receipt.

#### Donations

Revenue from donations is recognised upon receipt of the funds.

#### Interest

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets

#### Volunteer Services

The Association has elected not to recognise volunteer services as either revenue or other forms of contributions received. As such, any related consumption or capitalisation of such resources received is also not recognised.

All revenue is stated net of the amount of goods and services tax (GST).

#### (i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### (j) Financial assets

#### Initial recognition

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition that are debt instruments depends on the financial asset's contractual cash flow characteristics and the Association's business model for managing them. Trade receivables that do not contain a significant financing component, are measured at their transaction price.

In order for a financial asset to be classified and measured at amortised cost, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Association's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

#### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at amortised cost (debt instruments);
- Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments);
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments); or
- Financial assets at fair value through profit or loss.

#### **FOR THE YEAR ENDED 30 APRIL 2021**

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

#### Financial assets at amortised cost

Financial assets at amortised cost are subsequently measured using the effective interest rate ('EIR') method and are subject to impairment. Interest received is recognised as part of finance income in the statement of profit or loss and other comprehensive income. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Association's financial assets at amortised cost include trade and other receivables.

#### Other financial assets

The Association does not have any financial assets that are measured and recognised at fair value through OCI or at fair value through profit or loss.

#### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when the rights to receive cash flows from the asset have expired.

#### Impairment of financial assets

The Association recognises an allowance for ECLs for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Association expects to receive, discounted at an approximation of the original EIR. ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables and other receivables due in less than 12 months, the Association applies the simplified approach in calculating ECLs, as permitted by AASB 9. Therefore, the Association does not track changes in credit risk, but instead, recognises a loss allowance based on the financial asset's lifetime ECL at each reporting date. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Association considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Association's historical experience and informed credit assessment including forward-looking information.

The Association considers a financial asset in default when internal or external information indicates that the Association is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Association. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows and is not subject to enforcement activity.

At each reporting date, the Association assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

#### (k) Financial Liabilities

#### Initial recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Association's financial liabilities include trade and other payables and accruals

#### Subsequent measurement

Trade and Other payables, Accruals

After initial recognition, trade and other payables and accruals are subsequently measured at amortised cost. Gains and losses are recognised in the statement of profit or loss and other comprehensive income when the liabilities are derecognised.

#### Derecognition

A financial liability is derecognised when the associated obligation is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss and other comprehensive income.

#### **FOR THE YEAR ENDED 30 APRIL 2021**

#### NOTE 1: STATEMENT OF ACCOUNTING POLICIES (Cont.)

#### (I) Right of Use Assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Association expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Association has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

#### (m) Lease Liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Association's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

#### (n) Critical accounting judgements, estimates and assumption

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

#### Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The Association assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the Association and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

#### Employee benefits provision

The liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

#### Coronavirus (COVID-19) pandemic

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the Association based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the Association operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the Association unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

#### Provision for Long Service Leave

A provision has been recognised for employee entitlements relating to long service leave. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based on historical data. The measurement and recognition criteria relating to employee benefits have been included in Note 1 to this report.

#### **NOTE 10: RESERVES**

#### **General Reserve**

The purpose of the reserve is to provide protection against any adverse effects on major revenue streams to ensure that the critical operational aspects of SLSWA can be provided. The reserve was reviewed prior to the end of the financial year and the Board considered that the amount of \$500,000 to be appropriate. This policy is to be reviewed at the end of each

ilnancial year.

#### **FOR THE YEAR ENDED 30 APRIL 2021**

#### **NOTE 14: FAIR VALUE MEASUREMENT**

The following tables detail the Association's assets and liabilities, measured or disclosed at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being -

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Unobservable inputs for the asset or liability.

	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
2021				
Assets				
Land and Buildings	=	5,590,000	=	5,590,000
Total Assets	-	5,590,000	=	5,590,000
2020				
Assets				
Land and Buildings	=	5,590,000	=	5,590,000
Total Assets	-	5,590,000	=	5,590,000

There were no transfers between levels during the financial year.

Valuation techniques for fair value measurements categorised within level 2

Land and buildings have been valued based on similar assets, location and market conditions.

#### **NOTE 15: EVENTS AFTER THE BALANCE SHEET DATE**

There have been no events after the balance sheet date which significantly affected or may significantly affect the operations of the Association, the results of those operations, or the state of affairs of the Association in future financial years, other than as detailed below:

The impact of the Coronavirus (COVID-19) pandemic is ongoing and it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

NOTE 16: CASH FLOW INFORMATION	2021 \$	2020 \$	
Reconciliation of Cash Flow from Operations with Surplus from Ordinary Activities			
Surplus / (Loss) from ordinary activities	1,268,255	565,479	
Non cash flows in profit from ordinary activities			
Depreciation and amortisation	1,182,431	1,240,857	
Net (gain) / loss on sale of assets	9,115	(8,206)	
Lease liability - interest	39,037	97,122	
Changes in assets and liabilities:			
(Increase) / decrease in receivables	104,637	(427,967)	
Increase / (decrease) in trade creditors and other creditors	624,992	(116,874)	
Increase / (decrease) in provisions and employee entitlements	7,116	117,206	
(Increase) / decrease in other assets	(63,651)	56,091	
	3,171,932	1,523,708	

#### **FOR THE YEAR ENDED 30 APRIL 2021**

#### **NOTE 17: FINANCIAL INSTRUMENTS**

TThe Association's activities expose it to a variety of financial risks: interest rate risk, credit risk and liquidity risk. The Association's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Association.

The Association uses different methods to measure different types of risk to which it is exposed. These methods include sensitivity analysis in the case of interest rate and aging analysis for credit risk. The Association does not use derivative financial instruments (such as interest rate swaps) to hedge certain risk exposures. Risk management is carried out by the Board of Directors.

The Association holds the following financial instruments:

Cash and cash equivalents
Trade and other receivables

Trade and other payables

30 April 2021 \$	30 April 2020 \$
8,885,491	6,783,182
1,692,295	1,606,872
10,577,786	8,390,054
1,801,010	998,769
1,801,010	998,769

#### (i) Interest rate risk

The Association's main interest rate risk arises from cash and cash equivalents. Cash and cash equivalents comprise deposits held at call with bank that are at variable interest rates. Interest rate risks also arise from borrowings.

As at the reporting date, the Association had the following deposits at call with banks.

30 Apr	il 2021	30 Apri	il 2020
Weighted average interest rate	Balance \$	Weighted average interest rate	Balance \$
0.01%	8,885,491	1.401%	6,783,182

Cash and cash equivalents

#### Sensitivity analysis – interest rate risk

Sensitivity analysis has not been provided on the basis that such an analysis is not considered to be material.

#### (ii) Credit risk

Credit risk arises from the financial assets of the Association, which comprise cash and cash equivalents and trade and other receivables. The Association's exposure to credit risk arises from potential default of the counter party, with a maximum exposure equal to the carrying amount of these instruments.

Trade receivables are non-interest bearing and on 30 day terms. A provision for impairment loss is recognised when there is objective evidence that an individual trade receivable is impaired. No impairment loss was recognised in respect of trade receivables in 2021 (2020: Nil).

At 30 April 2021, the ageing analysis of trade receivables is as follows:

Current
Past due 30 – 60 days
Past due 60 – 90 days
Past due over 90 days

2020 \$
1,513,037
41,627
1,921
50,287
1,606,872

The Association trades with only recognised and creditworthy third parties and as such collateral is not requested nor is it the Association's policy to securitise its trade and other receivables.

In addition, receivable balances are monitored on an ongoing basis with the result that the Association's exposure to bad debts is not significant.

The credit risk on liquid funds is limited because the counter party is a bank with a high credit rating.

#### (iii) Liquidity risk

The Association manages liquidity risk by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

The Association's financial liabilities include trade and other payables that are paid on a 30 day period.

#### **FOR THE YEAR ENDED 30 APRIL 2021**

#### **NOTE 18: KEY MANAGEMENT PERSONNEL REMUNERATION**

The total remuneration paid to key management personnel of the Association is \$951,862 (2020: \$967,012).

#### **NOTE 19: COMMITMENTS**

In October 2020, the Surf Life Saving Australia resolved to join the National Redress Scheme as the representative for the Surf Life Saving Movement. In response to this, the Association made a non refundable contribution towards the establishment of a specifically designated Surf Life Saving Australia Trust Facility of \$233,178 during the period.

#### **NOTE 20: CONTINGENCIES**

The Association did not have any contingencies at 30 April 2021 (30 April 2020: None).

#### **NOTE 21: PRIOR YEAR ERROR**

During the period, the Association identified a number of arrangements in relation to the use of Helicopters which were considered to be leases for the purposes of AASB 16. These arrangements were inadvertently omitted from the prior year. These arrangements, which commenced on 1 May 2019, were in relation to the use of three helicopters. The term of the service agreements were for a period of two years, which ended on 30 April 2021. In determining the lease term, the Association excluded any extension options, as these were not considered to be within the control of the Association. The incremental borrowing rate used in the initial measurement of the lease liability was 6.5%.

As a result of the above, the Association was required to recognise a right of use asset (after accumulated depreciation) and a lease liability for the 2019/20 financial year of \$892,969 and \$916,005 respectively. The Association also recognised depreciation expense in relation to the right of use asset of \$892,970 and finance costs associated with the lease liability of \$96,666 for the year ended 30 April 2020

#### **NOTE 22: RELATED PARTIES**

(a) The Association's main related parties refers to the key management personnel (refer to Note 18).

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Association, directly or indirectly, including any director (whether executive or otherwise) is considered key management personnel.

(b) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated. Other than the remuneration of key management personnel, there are no transactions with related parties.

#### **NOTE 23: AUDITORS' REMUNERATION**

Remuneration of the auditor for

- auditing the financial report
- auditing of grant acquittals

2021 \$	2020 \$
23,000	21,000
-	-
23,000	21,000

#### **NOTE 24: ASSOCIATION DETAILS**

The registered office of the Association and principle place of business is: Surf Life Saving Western Australia Inc 7 Delawney Street Balcatta WA 6021

#### **DIRECTORS DECLARATION**

In the opinion of the Board of Directors the financial report as set out on pages  $58\ \text{to}\ 73$ :

James O'Toole

- Presents a true and fair view of the financial position of Surf Life Saving Western Australia Inc. as at 30 April 2021 and its performance for the year ended on that date in accordance with Australian Accounting Standards, the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporation Act (WA) 2015.
- 2. At the date of this declaration, there are reasonable grounds to believe that Surf Life Saving Western Australia Inc. will be able to pay its debts as and when they fall due; and
- 3. The attached financial statements and notes comply with the Australian Accounting Standards and other mandatory professional reporting requirements.

This declaration is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

Craig Smith-Gander AM

( m-5C

President Chief Executive Officer

Dated this 31st day of August 2021

#### **AUDITOR'S REPORT TO THE MEMBERS OF SLSWA**

REPORT ON THE AUDIT OF THE FINANCIAL REPORT

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SURF LIFE SAVING WESTERN AUSTRALIA INC.

#### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Surf Life Saving Western Australia Inc (the Association), which comprises the statement of financial position as at 30 April 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Association has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 and the Associations Incorporation Act 2015, including:

- (a) giving a true and fair view of the Association's financial position as at 30 April 2021 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants(including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of the Directors for the Financial Report

The Directors of the Association are responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation, including the requirements of Section 15(1) and 15(2) of the *Charitable Collections Act (WA) 1946* and *Charitable Collections Regulations (WA) 1947* and for such internal control as the Directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Association to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

#### AUDITOR'S REPORT TO THE MEMBERS OF SLSWA

#### REPORT ON THE AUDIT OF THE FINANCIAL REPORT

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error,
  as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting in the preparation of the financial report. We also conclude, based on the audit evidence obtained whether a material uncertainty exists related to events and conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the disclosures in the financial report about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial report. However, future events or conditions may cause an entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the
  disclosures and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We are also required to provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON THE AUDIT OF THE FINANCIAL REPORT

#### Report on Other Legal and Regulatory Requirements

Opinion pursuant to the Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947

In our opinion, the Association has complied, in all material respects, with the requirements of the Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947 for the year ended 30 April 2021.
