PART D – EVENT INFORMATION

D1 – EVENT COMMITTEE

The provision of a safe environment at all SLSWA competitions is paramount. SLSWA endeavours to ensure that the appropriate safety standards as set by SLSA are met at all nipper and senior surf sports carnivals/championships, including the provision of qualified personnel, rescue craft and communications. Should an emergency situation arise during competition, correct control and discipline shall be maintained under the direction of the Competition Referee and the Emergency Services Officer.

The Event Committee, under whose directions shall be placed all matters relating to the actual conduct of the 2023 SunSmart WA Surf Life Saving Championships, will fulfil safety related operational, coordination and advisory roles at the event. The team consists of the Event Manager from SLSWA plus volunteers appointed to the following positions:

- Championship Referee
- Emergency Services Officer

The team will consult with Sectional Referees as appropriate and will seek advice from other relevant parties on safety issues as required.

D2 – CARNIVAL SAFETY

Clubs wishing to enter the 2023 SunSmart WA Surf Life Saving Championships may be requested to provide power craft, first aid and water safety personnel on a 'pro-rata' scale based upon club participation from the previous season. A roster for the various Championships if required will be available on the mybeach website calendar listing before the end of February. If an IRB, water safety and/or First Aid volunteer does not attend as required, the Club risks being ineligible to participate further in the competition until the matter is resolved.

D3 – HIGH VISIBILITY LYCRA VESTS

All competitors in water-based surf lifesaving events will be required to wear a high visibility lycra vest as per Circular [2022/23 High Visibility Lycra Vests for Nippers, Youth, Open and Masters Competitors – AMENDED \(20/10/2022\)](#). Except where otherwise specified, vests must be worn by all competitors and handlers entering the water beyond knee depth. All participants wanting to enter the water, including but not limited to, competitors, Team Managers, coaches, officials and staff are recommended to bring old Lycra singlets from previous competitions for this purpose as additional Lycra singlets will not be distributed. It is also acceptable for handlers to wear hi-viz worker Velcro vests.

D5 – MARSHALLING

SLSWA will be using SurfTec (RFID) bands and associated software to manage the championships. All athletes will be required to have a **red wrist band** (RFID tag). Bands will be allocated at carnivals throughout the season. Clubs have also been provided the opportunity to allocate bands to their own members.

Bands will be available at the championship in the Event Administration Van. Note, there is a \$5 fee for a band if you lost or misplaced an already issued band. Location of the administration van will be advised in the program which includes all site maps. Please note, the following events will not be using the RFID bands for marshalling: First Aid, Champion Patrol, Champion Lifesaver, R&R, Belt Race and Surf Boats.

D6 – PRESENTATION OF MEDALS

Championship medals in gold, silver and bronze will be awarded to the first three (3) individual/team place getters in each event.

Team Managers must ensure that, where a competitor is required for a medal presentation and need to be in the competition arena for another event, they inform the relevant section arena marshal so that the event is delayed where appropriate while the presentation takes place, otherwise the event will go ahead without the competitor.

If any athlete is required to report for another event before or during presentations, it is the club's responsibility to send a proxy to marshalling. That event may be delayed until the presentation is completed and the area announcers will then coordinate the presentation. Please ensure that all three place getters are at the presentation area at this time in order to receive their medal. COMPETITORS NOTE: Your stand-in/proxy must remain until you return to the competition arena.

Competitors will not be permitted to receive their medal unless appropriately dressed. Competitors must present themselves with Club Competition Cap and bathers as a minimum, however Club and sponsor t-shirts and rash vests are permitted for sun protection.

Every attempt will be made to ensure presentations of medals are conducted as efficiently as possible, so please ensure you are appropriately dressed and present yourself for presentation immediately concluding your event.

In the event of a medal winner not reporting to the dais, the presentation will proceed. The missing medallist will be able to collect their medal from the appropriate presentation area any time during the day, however no additional presentations will be made. Please note there will not be a presentation for a single medallist.

Championship results will be available on the [SLSWA Competition Results](#) web page.

D7 – BEACH LAYOUT & ACCESS

Every effort will be made at these Championships to provide for a fair arena for all competitors and teams. If conditions are deemed unfair the Carnival Committee may relocate the arena. The Championships beach layout can be downloaded from the SLSWA Website.
