Carnival Guide

Carnival information for attendees and clubs.

Carnival Map

Club Location

Quinns Mindarie Surf Life Saving Club, 2 Quinns Road, Mindarie, WA 6030

The Club is accessed via Quinns Road, turning left at the roundabout and into the Main Parking area. There is an access gate to Club wash down area between the buildings as you drive into the main car park area.

Beach Access

4WD Vehicles with Surf Rescue branding maybe driven onto the Beach, caution should be taken as the beach entry is very soft.

Clubs in branded vehicles may deflate tyre pressures and tow trailers onto the beach. Boat trailers maybe left on the beach in the designated trailer storage area marked on the map. **4WD vehicles must be returned to the parking area.**

QMSLSC will be able to tow trailers onto the beach for clubs that would prefer not to drive on the beach. QMSLSC will be utilising the Club tractor to tow trailers. For clubs that would prefer QMSLSC to tow their trailer, please proceed to the wash down area and this will be organised.

Arrival Time

Clubs are welcome to arrive from 6:30 am for beach access, setup, and preparation.

Canteen (Food & Drinks)

Quinns Mindarie will open the Club Canteen from around 6:00 am providing hot drinks and BBQ breakfast food. The Canteen is located at the front of the Club near the grassed area.

Post Event Social Catch Up

The Club will open the bar at 11am and all are welcome to join us in a post event, social catch up, we will also keep the BBQ hot, so carnival attendees can grab a sausage sizzle or burger.

See you all Sunday,

QMSLSC Carnival Team.
